THE S.S. Nanshan, which arrived to-day | SERIOUS floods are reported from Nganking, and according to the native papers a general scarcity of rice is likely to be the result of the liency rains this year, which have done linniense damage all over the country. The price of rice in Shanghai has: already has gone up to \$3.40 the picul;

PLAGUE of sudden death is raging at Nanking, according to the correspondent had part of stern carried away and was of the Shipao in that city :- There is a fearful plague raging throughout the city, and the people are dying in every quarter. There are many instances of very sudden donths; the people are apparently well in the morning and dead in the afternoon

> Ve mentioned recently that it was rumou ed that the foreign Customs were to take over the collection of all the maritime duties in the Kwangtung provinces From private advices from Swatow we learn that all junks have now to enter and clear at the foreign Customs. This new regulation: came into operation on the lat instant. Nr. C. Daily News. .

> Tut Foochow Etho says :- Cries of lesses are again on the lips of all teamen, and we (Echo) are assured that hardly one out of ten of them have sold their teas at covering prices laid down at Foochow, and if foreign merchants will be firmly united as has been the case since the opening of the market, we fear the teamen will have to suffer still heavier losses, if se, no doubt they will not pack the third crop, such being now said to

To-DAY's Shunpao says :- By imperial deoree, H. E. Hung Quun has been appointed Chinese Minister to Russin, Germany, Austria, and Holland; H. E. Lin Shui-fong, Minister to England, France, Italy, and Belgium; and H. E. Li Hing-yuh, Minister to Japan. When the credentials have been prepared by the Tsung-li Yamen and stamped by the Emperor, the Foreign Minit is with regard to Germany and desirous isters at Peking will be officially notified of these appointments.

> THE San Francisco Chronicle says :- If the Occidental and Oriental steamers improve their time by two days, as it is declared rot divert much trade from the American nes. The Canadian Pacific in winter will be sure to suffer severely from the snow blockades, and these form an element of delay that will upset all schedule calcula-

> THE Chiugai Dempo prints the following paragraph seriously :- Mr Tanaka Yoshio a member of the Senate, has discovered a method of making mate from the tails of wild-cats. The Agricultural and Commercial Department have sent to the Kioto local anthorities a detailed description of the invention with a view to experiments being made. -It would be interesting to know who is to provide the Kioto local authorities with the necessary tails. - N.-C. Daily News.

> THERE has been a certain amount of sickness among the foreign residents at Tientain, some cases of enteric disorder and a good many of malarial fever. The large quantity of stagnant water on the outskirts of the settlement is reasonably blamed for the summer fever which hangs about the medied as the demand for house accommodation extends. Beyond the Taku Road many law swampy lots are being filled in for building, and it is hoped that fever beds will gradually be pushed back to the plain. -Chinese Times.

Colonies were greatly surprised last night by the quite unexpected announcement of the Agents of the China Navigation Co. direct departure after the Changina and

Considering that only quite recently shippers have signed a resolution: If apposition to the Sikh, Shippers agree not to ship by these lines during the rest of the season and especially considering the unanimity of those most interested, it is, to use a mild expression, a rather bold move on the part of the Conference Lines to disregard this aitogether, and it has to be seen who will come best out of this contest, whether the merchants or the steamer owners.

THE s.s. Wenchow has brought the first cargo, this year, of kerosene, amounting to the French Bund, Tientain. Owing to the inflaminable nature of the article, it is not allowed to remain on the Bund, but must be stored as soon as discharged. On Thursday this regulation was disregarded, a large number of cases being piled on the Bund and the French authorities stopped the further discharge of the Wenchow until the oil lying on the Bund had been cleared. By reason of the immense amount of weod camels' wool, &c., which at this season are stacked on the Bund, it is important that these regulations should be rigorously enforced. - Chinese Tim s.

MEETING of ladies and gentlemen interes-Rome for Orphan Girls' was held on the 6th instant in the Board Room of the Municipal Comoil, Shanghai, 23, Kiangse sexes filled the room, despite the rain. General Kennedy, by request, took the chair. He opened the meeting by a brief and pointed speech, stating the object of it,. which was the appointment of a committee to act, and report at an adjourned meeting. The work of the committee was to be the considering of-lat, The plan of the proposed institution. 2nd, How the money was to be raised. He paid a very high but well deserved compliment to the ladies in duct the work. Mr Thorne then spoke of

kong July 12th; 12h, 45m. p.m., after 27 THE Shen Pao gives a most harrowing acing to the other, to the deceased falling while days 16 hours 45min. We experienced count of the floods at Ch'u-chon Fu, up the beings have been swept away, and the destruction of growing crops is immense. There were ninety corpses seen at a place called Ping-yen, in the Ta'ing-t'ien District above Wanchow, and at a spot called Shaoki T'u a rice cask or hamper was picked up with a woman and schild and \$100 in it, evidently the belongings of some devoted hasband who had thus consigned his most ch rished objects to the waters. The lower THE Shen Pac attributes the recent ebulli- part of the island on which the British Conous kinds of snakes (both venomous and braves whose lives have become unused to waters, and vast quantities of debris are Taoist priests webs recently selling cash thorities of Ch'u-chou City, which is several. loong, on the higher levels, and at the swords in Shanghar, but within the past feet under water, have been obliged to take
